We are thrilled to host a distinguished panel of presenters, comprising national and international experts in the field of OSA. Our scientific program will focus on translating new basic knowledge to clinical practice and on new diagnostic and therapeutic options in the management of OSA.

Our comprehensive program also includes:

- A dedicated half-day session catering to our sleep apnea nurse specialists
- A section for research poster presentations
- A meeting convened by the Danish Society for Sleep Surgeons (Dansk Søvnekirurgisk Selskab)
