# INTERNATIONAL HEAD AND NECK ULTRASOUND COURSE

Sunday, 29.10.2023 – Monday, 30.10.2023  
in The Hilton Hotel Mainz

## Dear Colleagues,

we are pleased to announce our first "International Head and Neck Ultrasound Course" in Germany. This course is relevant for interns or specialists of all medical fields where Head and Neck Ultrasound is performed. The course is designed to guide you by learning Head and Neck Ultrasound from basic to advanced level and you will be able to meet an interdisciplinary faculty of experts in Head and Neck Ultrasound. You will practice on modern Ultrasound Devices with the newest Duplex technology and elastographic features. To the course you receive comprehensive teaching material (script + digital components).

Lectures of Experts in the field share the "Best of Ultrasound" knowledge with you. Practical skills will cover more than 50 % of the time and you will be assigned to small groups.

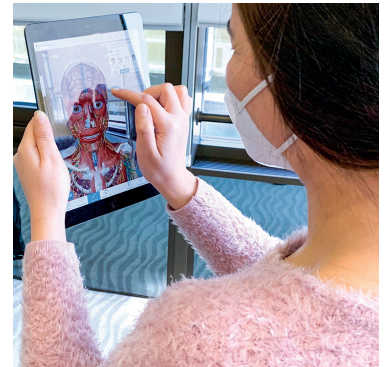

This course is endorsed by The European Federation of Societies for Ultrasound in Medicine and Biology (EFSUMB).

The Hilton Hotel in Mainz stands out with an excellent course catering and an international atmosphere located 30 minutes from the Frankfurt Airport

We hope to welcome you in Mainz.

**Julian Künzel, MD, Prof**  
Course Director

**Johannes Weimer, MD**  
Course Organization

To the course you receive comprehensive teaching material (script + digital components)

The event takes place under strict infection control measures in fixed small groups. You will receive further safety instructions by e-mail after your registration.

Course fee: 700 € incl. course dinner and teaching material. Please note that the number of participants is limited and a confirmation of participation can only be made after sending the completed online registration form.
