**MEETING 2024**

## EUSICA/INSICA-Brain 2024 Annual Meeting

**Annual Meeting of the European and International Network of Sinonasal Cancer Research and Brain Tumour Research.**

**This meeting will be held jointly with Oncology Professional Care, a must-attend, multi-disciplinary event with carefully curated content focusing on the whole patient pathway, taking place on 21-22 May 2024 at ExCeL London.**

Embedded in Oncology Professional Care, where over 1,500 healthcare professionals come together to discover cutting-edge developments in cancer treatment, hear from patients on their cancer journeys, and bolster their technical skills during the EUSICA/INSICA-Brain 2024 Dissection Course.

World-class CPD accredited learning

Multi-omics and surgical innovation sessions

Delivered in collaboration with Oncology Professional Care - 1,500+ like-minded peers across every stage of the cancer care pathway
